

MSS40316 Certificate IV in Competitive Systems and Practices

Job Role	<p>Job roles may related to this qualification may be in small or large organisations and include individuals who provide a specialist support role in competitive systems and practices for an organisation. The target job roles may be in production or operations, office, maintenance, transport and logistics, and other job roles requiring the skills delivered by completing the qualification.</p> <p>In addition to the job roles listed above, employment outcomes related to this qualification also include working as a member of a project team implementing competitive systems and practices.</p>
Qualification Overview	<p>This qualification provides the skills and knowledge required by a team leader or other person to implement competitive systems and practices in the work of a team or work group, or by a specialist in competitive systems and practices. The qualification packaging has been developed on an assumption that competency will be developed through a combination of on and off-the-job learning strategies.</p> <p>This qualification provides the skills needed to improve efficiency in a team or work area as well as in a person's own work role through the implementation of competitive systems and practices. It complements but does not duplicate qualifications supplying operational, production, maintenance, logistics or other technical skills to industry.</p>
Entry Requirements	<p>This qualification has no formal entry requirement. However, it should be noted that this qualification is not intended to supply operational or technical skills that are used in conjunction with competitive systems and practices skills.</p> <p>This qualification assumes that a learner has current or past work experience where operational or technical skills have already been gained and a supervisory or similar level of responsibility exists. This qualification is not suitable for direct entry from school.</p> <p>Students must undergo a Language, Literacy & Numeracy evaluation prior to commencement of studies.</p>
Career Pathway	<p>Pathways from the qualification</p> <p>Further training pathways from this qualification include the MSS50316 Diploma of Competitive Systems and Practices.</p>
Fee Structure	<p>Fees are structured according to individual's eligibility and enrolment status. Where fees are applicable each student is provided with this information prior to confirming enrolment.</p>
Estimated Course Duration	<p>This course has an estimated completion period of 6 - 24 months dependant on the pre-existing level of skills and knowledge of the student.</p>
Location:	<p>Please contact Dynamic Learning Services for details on locations for upcoming courses in Certificate IV in Competitive Systems and Practices.</p>
Work placement	<p>To achieve this qualification, the candidate is encouraged to complete at least 80 hours of work/work experience. All students are responsible for organising their own work placement arrangements to complete the 80 hours. Please note once work placement is completed DLS does not guarantee employment.</p>
