SAFETY NEWS

EMPLOYABILITY & SAFETY

DID YOU KNOW THAT INDUSTRY IS PLACING AN EMPHASIS ON HAVING A WORKFORCE THAT IS FORMALLY EDUCATED IN SAFETY?

Dynamic Learning Services are bringing to the Coast an opportunity to study and gain the BSB41419 Certificate IV in Work Health & Safety.

HOW DOES IT WORK?

- Attend 10 days of training
- 1 day per fortnight
- 8 hours per day
- Minimum of 6 in each class
- We will come to you to do the training- (ONSITE)
- Text Book provided with workbooks to demonstrate integration in the workplace
- Use you own internal practices to complete this course

COST:

Normal Program is \$3000 per person

Program with up to 4 days additional support is \$3200

DLS will work closely with Employer Groups to contextualise the training to your workplace needs. We will do this through consultation with key stakeholders and this will be a FREE CONSULTATION. We will include into the training:

- WHS reporting documentation
- SWIMS
- Policies/ Procedures
- Risk assessment
- and more....

TRAINING LOCATION:

We will come to you and do the training on your site. Less travel for the team and minimal disruption.

2020 Course Dates

We will kick off with two intakes in 2020 so there will be limited places:

1st Course Commencement

Tuesday 25th February, 2020

2nd Course Commencement

Thursday 27 February 2020

These sessions will continue on Tuesdays or Thursdays for 10 consecutive sessions each fortnight.

Call (02) 4365 0040 and ask for Tracy or Natasha

SAFETY IS AN INTEGRAL PART OF COMPLIANCE AND HAVING WORKERS WITH THE SKILLS, KNOWLEDGE AND A POSITIVE ATTITUDE TOWARDS WORK, HEALTH & SAFETY.

Learning outcomes:

- Assist with compliance and WHS laws
- Contribute to implementation and maintenance of consultation And participation
- Risk management
- Implementing WHS management systems
- Incident response
- Contribute to implementing monitoring processes
- Write complex documents
- Show leadership in the workplace

We use experienced Trainers who have worked in the industry and trained in the industry. Our Trainers are fully qualified with White Card, Working at Heights, Confined Spaces and a variety of other compulsory programs required in the construction industry.
